

Math Options for Incoming Grades 1-5

We suggest students work on Math 30 minutes per week. This will help them build a strong foundation for the next grade level and mathematical fluency.

- Work in their iReady Learning Games or
- Work in the on-line instruction My Path or
- Work in their iReady Math workbooks
- Both the Learning Games and My Path will be available to students until August 14, 2020.

Students log in through Clever and select the iReady icon to access their Learning Games and My Path or click the Click Here button below.

The screenshot displays the Clever student portal for Greenwood. The interface includes a search bar, a navigation menu on the left, and a main content area with several sections:

- Teacher Pages:** Miss Leeman's Page, Mrs. Rogers' Page, S. Brown's Page.
- Google:** Google Drive, Google Classroom, Google Docs, Google Meets.
- Academic Apps:** Squiggle Park, i-Ready, FOSSweb, PowerMyLearning Connect, Discovery Education (SSO only), QR Code Scanner, NBC Learn.

The bottom of the screen shows a Windows taskbar with various application icons and a system tray displaying the time as 12:11.
